PRODUCT DESCRIPTION	Dietary supplement with Snail extract, Glucosamine, Turmeric, Boswellia, Hyaluronic acid, vitamin C and collagen that contribute to normal joint function.
UNIQUE SELLING POINTS	HÉLIX ORIGINAL FORTE, the revolutionary, natural multi-nutrient for joints found in snails. The snail is the only animal in the world able to rebuild its shell, to heal and restore health to its cells, and do so very quickly. And HÉLIX ORIGINAL FORTE has successfully brought these natural ingredients together in the form of capsules, enriched with Boswellia, Turmeric, Glucosamine, Hyaluronic acid and collagen powerful and well-known natural ingredients that fight against pain. With HÉLIX ORIGINAL forte your cartilage will rehydrate, and will restore elasticity, flexibility and mobility to the joints.
