Helix ORIGINAL COMPLEX

Joint Multinutrient

Joint Multinutrient

Specialists in the improvement and care of your joints.

HELIX complex – Joint Multinutrient, the revolutionary natural joint nutrient based on **Nutrelix®**, **snail protein extract** with Allantoin. The snail Helix is able to repair its shell quickly, avoiding drying out in case of deterioration. That's why HELIX Complex has managed to gather multiple ingredients and nutrients highly effective, such as:

- ✓ **Turmeric and Boswellia**, which contribute to the normal functioning of the joints.
- ✓ **Glucosamine, hyaluronic acid and collagen** are nutrients present in joints.
- ✓ **Vitamin C** contributes to the normal formation of collagen for the normal functioning of cartilage and for the protection of cells against oxidative damage.

Joint Multinutrient

Specialists in the improvement and care of your joints.

NUTRELIx PROTEIN EXTRACT OF SNAIL POWDER

Preserves and strengthens joints and adjacent tissues. Reduces degeneration and symptoms of joint discomfort.

COLLAGEN

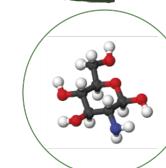

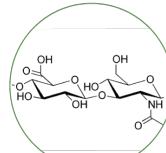

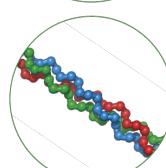

It favors the well-being of the joints, avoiding degeneration. Provides strength, cohesion and flexibility.

HYALURONIC ACID

It promotes the lubrication of the joints and the sliding of the bones on the articular cartilage during the movement.

BOSWELLIA

It improves the pain and inflammation in patients with osteoarthritis, improving the affected joint and reduce joint stiffness.

TURMERIC

Antioxidant, anti-inflammatory, antiviral and antifungal actions. Have an efficacy similar to ibuprofen in the treatment of knee osteoarthritis.

ALANTOIN

It helps to relieve pain and improves stiffness in knee osteoarthritis.

VITAMIN C

Reduces the risk of cartilage loss and disease progression in people with osteoarthritis.

GLUCOSAMINE

Able to regulate and inhibit the activity of molecules that degrade cartilage structures.
